NĚCO Z FRANCIE

Genially
Do it different, do it Genially

The screenshot shows the 'Classroom' interface of the Genially platform. At the top, there are navigation tabs for 'Your classes', 'Classroom', 'Class Story', 'Messages', and 'Settings'. Below these, there are tabs for 'Students' and 'Groups'. A 'View reports' button is located in the top right corner. The main area displays a grid of student avatars, each with a name and a score in a green circle. The scores range from 1 to 4. At the bottom, there are four interactive buttons: 'Attendance', 'Award multiple', 'Random', and 'Timer'.
